Dear Mr McCrone

**TESOLANZ INCORPORATED**  
**IRD NUMBER: 56-077-502**  
**OUR REFERENCE: TNA/AST/NR**

Thank you for the copy of the rules of TESOLANZ Incorporated Society. I confirm that The TESOLANZ Incorporated ("the Society") is eligible for the income tax deduction as a non-profit organisation under section DV 8 of the Income Tax Act 2004.

The organisation is allowed a deduction against its net income for the lesser of—  
(a) \$1,000; and  
(b) the amount that would be the organisation's net income if this section did not exist.

The Society must keep records of income and expenses in order to calculate the amount of income each year. These records must be in English or another approved language, and must be kept for seven years. Should the Society's income in any year exceed \$1,000.00, you are required to contact Inland Revenue and an IR9 income tax return will be sent to you to complete.

You should ensure that this letter and several photocopies of it are retained by the Society in different secure places, as it is an important document. Please call Nagesan on the above telephone number if you have any questions.

Yours sincerely
