

# Do You Teach English Language Learners?

## CANTESOL

is our local branch of **TESOLANZ**  
an association for professionals

in the field of **English Language Teaching** and related issues

### CANTESOL is organising a technology inspirational PD session

#### Part One

##### **Keeping it together: How to bring a face-to-face dynamic to your online classes**

This presentation looks at practical techniques and activities for bringing some of the atmosphere and enjoyment of a face-to-face classroom to the online environment. Born of necessity when an EIT NZCEL Level 3 class was moved online during the 2020 lockdown at Eastern Institute of Technology, we will examine innovative ways of overcoming the limits of the small screen.

#### Part Two

##### **Finding your niche: Online employment options for ESL teachers**

While we wait optimistically for international student numbers to bounce back post Covid-19, there are numerous online employment options for New Zealand ESL teachers. A look at case studies of ESL tutors worldwide who have successfully reinvented themselves as online tutors, either with a company or by going it alone. Based on interviews with affected tutors throughout the sector, what are the best opportunities out there and what are some pitfalls to avoid?

When: **Wednesday 17<sup>th</sup> March, 2021, 4.30 – 6.00 pm**
